## Milpitas Volunteer Partners

The City of Milpitas hosts many community programs, events, and activities throughout the year that serve the Milpitas population and local surrounding areas. Volunteers are frequently recruited to assist in various aspects of these programs, providing valuable staff support as well as help and encouragement to citizens.

Opportunities exist for working on a variety of tasks in every department within the City structure. Different opportunities are available at various times throughout the year, and time commitments vary based on the specific task requirements and the volunteers' availability. All those interested in volunteering must complete an MVP application, and pass the screening and interview process specific to a given opportunity.

## Volunteer Highlight

### ABBY USA Software House, Inc

The employees of Milpitas based company, ABBYY USA Software House, Inc. started volunteering for MVP in 2012. The company is very excited to volunteer on a monthly basis whether it is helping serve lunch to the seniors or cleaning up the parks.

In the MVP office, we continue to have dedicated volunteers year after year because of the programs we offer to the community. But most importantly the fun experience that one has when volunteering in our events.

## Filmmaking from Script to Premiere

This class begins with a completed script, allowing the participants to immediately get into the substance of a project. The participants form small production groups (6-8 filmmakers per group). From a book of scripts, the group decides on the genre of film they want to produce (comedy, drama, sci-fi, action adventure or horror). The group begins with creating the storyboards for their film. Using basic video cameras and editing software, they produce the film, integrating simple special effects, sound effects and a musical score that is specific to the theme of their film. They learn camera angles, film etiquette and vocabulary, as well as how to use digital film tools. These learned skills should translate outside of class to their home video camera and computer so they can continue with their digital storytelling after class is over. Depending on the group, they may bring costumes and props from home to enhance the production value of their film but this is not required. The final film is posted on the Freshi website ([www.freshimedia.com](http://www.freshimedia.com)) and/or can be downloaded on a personal thumb drive by the participants.

Maintain the gains your child made during the school year! Journalism allows students to explore the writing process while exercising their creativity and developing essential skills for the STAR test. As they collaborate to create their very own newspaper, students practice four types of writing: descriptive, expository, narrative, and persuasive. Students have a great time working with their own newspaper "staff" and gain important writing, revision, and editing skills. Don't miss this chance to spark your child's love of writing! Experienced instructors, detailed feedback.

## Challengers/Novice - Youth/Teen Tennis

This is a combined group for Novice and Challengers. Novice Juniors are those new to the game with little or no experience, and skills will develop the foundation they need to grow in the game. They will be introduced in a fun-based, and fast-paced environment utilizing several different types of balls (low compression, greens, speedballs and regulation balls). Coaches will focus on the basic rules of play, basic skills involved in rallying and serving, and the first three tactical priorities of consistency and controlling the ball, all with the goal of moving quickly to the Challenger level. Challengers are players who have demonstrated skills sufficiently to rally and control the orange and green balls. They will begin to work seriously with the regulation ball and begin preparing mentally, physically and emotionally for competitive play. Players are introduced to the advanced footwork patterns associated with the patterns of play. Coaches will focus on the basic three cornerstones of the 5 tactical priorities of play - consistency, controlling the ball left and right, and short and deep. Players will also develop a solid foundation for a consistent and reliable second serve. Players in this class may be invited to participate in Junior Tennis Programs. Student to instructor ratio is 7:1.

## Recycle Household Hazardous Wastes in Milpitas on June 29

Properly dispose of paints, polishes, batteries, clog removers, poisons, pesticides, solvents, chemicals, propane / oxygen tanks, smoke detectors, thermometers, prescription drugs and sharps. Visit [www.hhw.org](http://www.hhw.org) or call (408) 299-7300 to reserve a free Saturday drop-off appointment.

Keep hazardous materials from batteries, electronics and fluorescent lighting out of our landfills. Go to [www.ci.milpitas.ca.gov/resident/recycle/res\\_haz\\_waste.asp](http://www.ci.milpitas.ca.gov/resident/recycle/res_haz_waste.asp) for referral info.

## Reduce Waste at Home

Recycling preserves the life of our landfills and reduces greenhouse gas emissions. The **best** action is to actually reduce the amount of waste created in the first place! Use these helpful tips below to reduce what you use and reuse what you can at home.

- Bring reusable bags to the store.
- Use reusable containers with lids for lunches and leftovers.
- Use travel mugs, cloth napkins and towels, ceramic plates and silverware.
- Use a refillable water bottle instead of single use plastic bottles.
- Use rechargeable batteries.
- Buy razors with replaceable blades.
- When spring cleaning or moving, have a yard sale or donate items to charities instead of throwing them away.

## Recycling & Garbage Collection

### Multi-Family Complexes

Apartments, condominiums and four-plexes use shared trash and recycling bins. Please report any overflowing problems or recycling contamination to your property manager or contact Republic Services at (408) 432-0444. Multi-language brochures and posters are available.

### Single-Family & Duplex Homes

Set out recycling, yard trimmings and garbage carts on the street, wheels against the curb, near your home before 6:00 am on your collection day. Set-out 32-gallon extra yard trimmings and garbage cans at the curb, not on the street.

Place flattened cardboard inside your recycling cart; if cart is full, then place sized-to-fit cardboard neatly next to your recycling cart. Used motor oil may be set out for collection in required jugs at the curb, not on the street. Milpitas residents may obtain oil jugs at fire departments.

Do your part to conserve our planet's resources: reduce, reuse, recycle and buy recycled. Visit [www.ci.milpitas.ca.gov/resident/recycle/res\\_recycle.asp](http://www.ci.milpitas.ca.gov/resident/recycle/res_recycle.asp) to learn what is and what is not accepted as recyclable material. Questions? Call Republic Services at (408) 432-0444.

## Stumped by Styrofoam?

Milpitas residents and businesses do a good job diverting waste products away from the landfill and towards recycling. When products aren't recyclable, we practice source reduction to prevent their entry into the waste stream. Even on our most environmentally friendly days there are a few select materials that leave us stumped. Styrofoam is one of them - is it recyclable or not? New technology at the Newby Island Resource Recovery Park has the answer!

### Styrofoam Recycling Drop-Off!

Recycle Styrofoam in the forms of molded blocks and food containers at the **Newby Island Resource Recovery Park** (1601 Dixon Landing Rd). Drive to the Recyclery scale house inside the park for directions to drop-off containers. Be sure to follow these simple guidelines:

- Make sure molded blocks and food containers are labeled with **PS6** surrounded by the recycling symbol.
- Food containers **MUST** be clean and rinsed.
- Place molded blocks and food containers in separate bags.

## Refund/Cancellations\*

In order to receive a refund check in the mail, you must submit the Transfer/Refund Request Form (on previous page) to the office 10 calendar days prior to the first Class. "Class" shall mean all of the meetings for each separate activity per session. **A \$10 service charge is withheld from each Class you are requesting a refund for. Material fees are non-refundable if you cancel/transfer out of the class.**

Refund/Transfer amounts up to \$10 will be issued as a credit on your Recreation Services' Account to be used for future Classes or programs. Refunds for amounts of \$10.01 and more will be issued as a refund check. You will receive your refund check in the mail in 30 days.

**Please Note:** If your class payment was made with a credit card, refunds cannot be credited back to the credit card.

For cancellations with less than 10 calendar days prior to the start of the program, you will be issued a credit on your Recreation Services' Account to be used for future Classes or programs, minus a \$10 processing fee for each Class cancellation. If the Class has started, you may cancel prior to the second Class meeting and receive a prorated credit on your account minus a \$10 processing fee. Medical emergencies are exempt from the policy; however, a signed statement from your doctor is required prior to the last Class to be eligible for a refund and will be prorated for Classes that were attended.

\* Online registration transaction fees are non-refundable.

## Transfers\*

Transferring from one Class to another Class is permitted without a processing fee, as long as the office is notified with a Transfer/Refund Request Form (on page 63) 7 calendar days prior to a Class starting and the programs are within the same registration season (spring, fall or summer). If the transfer request is made with less than 7 calendar days prior to the Class, a \$10 processing fee will be charged for each transfer. \*Excludes Online Registration.

## Class Cancellations & Waiting Lists

Early registration is recommended instead of waiting before the first day of Class. Should a Class not meet its minimum number of students within 3 days of starting, it will be cancelled.

If a Class has reached its maximum capacity prior to your registration, you will automatically be placed on the waiting list without payment. Should an opening occur, Recreation Services will contact those on the waiting list, in order of placement and payment is required at that time. Being placed on the waiting list does not guarantee enrollment in the Class. Please do not go to the Class if you are on the waiting list.

## Late Pick-Up Policy

For the safety of our participants, it is required that they are picked up on time at the end of each Class. Should the participant be picked up late, a \$10 late fee starting one minute after the end of Class will be charged, with an additional \$10 for every 10 minutes thereafter. Should the participant not be picked up within a half hour of the end of the Class, the Milpitas Police Department will be contacted. Late fees must be paid within three (3) business days, of receiving the late fee notice, otherwise your child will not be allowed to return to the Class/program.

## Code of Conduct Policy

All individuals are expected to abide by the 5 "C's" of the Code of Conduct; creating a fair, secure and friendly place to learn & play:

1. **CARE** - Caring for self, others and the environment.
2. **COURTESY** - Speaking and behaving politely and kindly towards others; showing excellence in manners.
3. **CONSIDERATION** - Showing respect for self and others; tolerating others; thinking of the feelings/circumstances of others.
4. **COOPERATION** - Contributing to a positive tone/image; accepting consequences when rules are broken; working, studying and playing cooperatively with others.
5. **COMMON SENSE** - Use common sense by stopping and thinking carefully before doing anything!

Violation of the Code of Conduct outlined above may result in disciplinary action, up to and including expulsion from Milpitas Recreation Services programs and facilities, forfeiture of fees, and financial restitution for any damage. In the case of a minor, parental responsibility will apply to all of the above actions.

### Discipline Plan:

#### Behavior Incident:

1. Intervention - Private, verbal warning (without emotion)

#### Recurrence/Second Incident

2. Intervention - "Cool Off" Time/Removal from the group. Discussion of the incident with staff: when the participant deems himself/herself ready to follow the rules, he/she may re-join the group

#### Recurrence/Third Incident

3. Parent phone contact by participant in the staff's/instructor's presence, indicating that the next incident will result in removal or suspension from the program. An Incident Report is completed by staff, documenting incident(s) and measures taken.

#### Recurrence/Fourth Incident

4. Coordinator/instructor will contact the parent to remove the participant from the program. The child will be eligible to return to the program once parent(s) have attended a conference with the Coordinator/Instructor.

The following behaviors will result in the **IMMEDIATE REMOVAL** of the participant:

1. Fighting (hitting, punching, kicking, another participant, regardless of reason, or who hit first).
2. Physical abuse of a staff member.
3. Direct abusive/obscene/profane language/gesture to staff or participant.

## Camp & Workshop Refund / Transfers

In order to receive a refund for a program that occurs for five (5) consecutive days or less, you must notify the Recreation Services Department 10 days prior to the beginning of the first day of the program and a full refund will be issued, minus a \$10 service charge. Refunds and/or credits will not be issued with less than 10 days notice.

Medical emergencies are exempt from the policy; however, a signed statement from your doctor is required prior to the last day of Class to be eligible for a refund and will be prorated for Classes that were attended.
